Reaumont, Texas, April 29,-The Helland

pessument, Texas, April 29—Secondation opened up today with apparently sensewed activity, as was anticipated it would, after the visit of the immense crowd of stransfers, who came to Beaumont on the excursions Sunday. A large percentage of the rishers took the fever, and as a result many new speculators were in town when hemises opened today. It infused a new life into the trading in land and this tay's business has not been exceeded by mer of any previous day.

The real estate market was particularly letive, which was in part due to the new life word to ascertain whether the well had come in or not. Mr. Hey wood sail be and come in or not. A report became generally circulated over retrects this afternoon that the Kaiser Kelly well, which was purchased by Diwey Heywood and esseciates about a week or ten days ago for \$125,000, had come in. The well has been expected for the past day or two, and when it was reported in today nearly everybody believed it to be so.

The Post correspondent called on Mr.

Ask Your Doctor

Ask him if it isn't true that about every one needs a good spring medicine. Ask him if your depression of spirits, your general weakness, and your feeling of exhaustion are not due to impure blood and weakness of the nerves.

Then ask him about Ayer's Sarsaparilla.

If he says it's all right, get a bottle of it today. We know it is the best thing you can possibly take to lift you up and bring back your old strength and vigor.

\$1.50 a bottle. All druggists J. C. AYER CO., Lowell, Mass. undivided hait interest in 28,000 acres of land around Reaumont to J. S. Cultimaa end company and John Sear'es. The mic was negotiated in Kausas City by it. Martin. Arthur E. Hillwell and J. McD. Trimble, trustees of the land company and the purchase was supposed to have been in the luterest of the Standard Objects.

ANOTHER OIL COMPANY.

The Magnolia Oil, Mining and Pipe Line Company of Houston. As soon as the charter can be sent to Austin and recorded Houston will add anoff company to the already long ist of corporations of this character. The articles of incorporation were drawn

up yesterday providing for the organizaup yesterday providing for the organiza-tion of the Magnella Mining and Pipe Lane company of Houston.

The capital stock in the new company is axed at \$60,000 and the incorporators and directors named in the application for the charter are: S. S. Ashe, George W. Bur h. C. F. M. Honshaw J. L. Mitchell, W. H. Coyle, A. L. Coanway, Vernon Laman, h. J. Overensh, John Elsbary, Frank J. Hierb, J. K. P. Gillisspie and B. P. McDon-

BOUND TO MAKE GOOD.

If Oil Is Not Found Water Will Be and Rice Will Be Planted. El Campo, Texas, April 27.-At the region far meeting last night the El Campe On; and Prospecting company increased their rangements can be ande boring will com-

mence. The company is well organized and some of the best people of the town are in it. In case oil is not found a may well will be developed and the head put in rice culture, which will pay the stock holders a nice profit anyway. An expert has been notified to come here and select the best place to bere for oil and it oil is not found in paying quantities same will be turned into a rice farm.

Mr. Harry L. Benson was in the city yes terday to pay off the judgment of \$50,750 terday at the Rice. Mr. Herring was Mr. Harry L. Benson was in the city yes terday to pay off the indigment of \$50,750 terday to pay off the indigment of \$50,750 terday at the Rice. Mr. Herring was among the first to enter the Beammont oil fields, and has cleared up something like among the fields, and has cleared up something like the well known Sour Lake property. A little history of this company will be in teresting to many at this time, as under the bright leve in my office at Kansas and will begin business in a business way.

tour of the South, not only for personal pleasure, but for the purpose of observing industrial conditions. He is a deep thinker and always travels with his eyes and ears only in the property of the property open. The governor met hundreds of his friends in Reaumont this moraing and was constantly the center of a little group who were eagerly explaining the situation to him and furnishing an alumdance of information about the oil field.

Governor Adams is an route to New Orleans and the Eastern South, but will probably spend a couple of days in Beaumont.

chants' Oil company against W. H. Al dridge to compel defendant to make conveyance of ten acres in the J. W. Bullock survey, 100 acres in the H. Honston league survey, 200 acres, the south half of section 52, and 646 acres of a certain oil and mineral lease. The petition resides that on the 11th day of April, 1991, Aldridge contracted with parties composing the company that if they would form a corpetation or oil company he would, upon such company being incorporated, convey to plaintiffs the ebove lands, and that he has railed to do so. Should the defendant fail to compily with a decree of court to make such conveyance, plaintiffs ask to be allowed \$50,000 in damages. Marion County Covered with Leases Jefferson, Texas, April 28.-The J. M. Gaffy Oil company has about closed up leases; this county has leased over 50,000 acres for oll privileges.

50.000 heres for oil privileges.

The Emeka company has closed up about 10.000 acres for oil and gas privileges.

John C. Collins, acting for Beaumout people, has seemed leases on about 30.000 acres; these leases on about 30.000 acres; these leases one about 30.000 acres; these leases are rich la minerals, as well as oil. There is very little doubt about oil being in this section. The Jefferson and Cypress Bayon Oil company will begin operations within the next sixty days. Greet interest is now be use taken by the stockholders of this company. What is Asked for Shares in Several Companies.

ville. For years he has been in the habit of coming up to Houston and getting on-bad and protracted spress. He managed in some way to bold a job down there while one of the big lumber concerns, and when he struck Houston for a "skate" god-erally had a fairly good-sixed roll, but this was soon gone, and it was his custom to borrow money of a saloon man on Travis street where he generally 'hung out.' One

morning the fellow went to the saloon keeper and wanted to borrow \$250. He offered fifteen acres of land agar Beaumont as security and the loan was made on this basis and a mostgage placed upon the property. That was about two years age. A few days after the Lucas strike the note fell due, and the fellow, not having the money to meet it, or realizing the importance of the strike, went to the saloen man and effected to give a warranty deed to the property if he month put up \$160 more. The saloon man consented, you more, the saloon was capital secured an obtion on this same property for \$16,000 and yesterday the cash was paid over to the saloon keeper. The original owner is said to be down at Benument teaming saw logs.

Will of Dr. August Saltman.

Wharton, Texas, April 29.—The will of Dr. August Saltman, was entered for probate March 28, and on April 18 R. E. Vineyard was appointed administrator, giving bond for \$5000. Last week a contest to the will was filed by Emile Sait-
